NOTICE OF DECISION MADE BY PORTFOLIO HOLDER DECISION: LAWTON 1:17

(To be made available at the main offices of the Council and sent to all members of the Council within 3 working days of the decision.)

The Council's Constitution (Standing Order 28 – Recording of Executive Decisions; Part 3 Section D4 – Delegations to Cabinet members; and Part 4 D Access to Information Procedure Rules) requires that when any decision is made by an individual Portfolio Holder a record of the decision, including a statement of the reasons for it and any alternative options considered and rejected, must be prepared and published normally **within 3 working days**.

In accordance with this requirement notice is hereby given that Councillor C J Lawton, being the Portfolio Holder for Housing and Health, made the decision detailed below on 25 September 2017. This decision is not a key decision.

This notice is published on 27 September 2017.

In accordance with the terms of the Constitution (Part 3 Section D – Overview and Scrutiny (including Call-In Procedures)), the decision detailed below will come into force, and may then be implemented, on Thursday 5 October 2017 (i.e. following the expiry of 5 working days following the date of publication of this notice) unless during that period a notice, where either a Ward Representative (in relation to a matter in their ward) or two members of the Performance Monitoring Panel or any three members formally request in writing (requests for Call-In must be given on a form designed for that purpose, and must be signed by each subscriber to the call-in) to the Senior Legal Officer (or such other officer as is nominated by the Senior Legal Officer) before the end of the five clear Working Day period specified in the above paragraph in relation to a particular decision by the Leader, a Cabinet Member or Cabinet, a Sub-Committee of Cabinet or an officer, then that decision shall be referred to the Performance Monitoring Panel. Such request must contain a justifiable reason for the reference and one or more of the signatories to the reference must forward to the Senior Legal Officer at least five clear Working Days before the date of the Committee which is to consider the matter a brief explanation or statement as to the concerns of the signatories in the matter, and what alternative decision(s) that

member/those members consider should be taken. (The call-in period expires at 5pm on the 5th working day following publication of this notice, or 4.30pm if the 5th working day is a Friday.)

Matter to which decision relates

Land at Centenary Way, Sutton Bridge – To consider a request to sell an area of Council owned land.

DECISION (IF URGENT PROVIDE REASONS)

- 1) That delegated authority be granted to the Interim Housing Landlord Services Manager to agree the sale of land as described in this report;
- 2) That delegated authority be granted to the Interim Housing Landlord Services Manager to deal with any issues which may arise, following consultation with the Portfolio Holder for Housing.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

Option 1 – Do nothing (not recommended)

This option would leave the land in the Council's ownership, retaining ongoing maintenance liabilities and requiring the defence and settlement of the former landowner's Tribunal claim.

Option 2 – Intended or Alternative Use (not recommended)

The land has been considered for its originally intended use but this is considered unlikely without an established need and an alternative use from that for which it was acquired would not be acceptable.

Option 3 – Disposal to other party (not recommended)

Under Crichel Down Rules the Council must first offer it back to the former landowner, effectively in line with the recommended decision.

REASON OR REASONS FOR THE DECISION

This decision would enable the Council to dispose of the land to the former landowner with the previously paid compensation being offset against the transfer costs. It is believed that there will be a balance of approximately £5000 to pay in respect of the former land owners legal and surveyor's fees in dealing with the original CPO, the Tribunal application and the transfer costs.

Doing nothing would leave the land in the Council's ownership, retaining ongoing maintenance liabilities and requiring the defence and settlement of the former landowner's Tribunal claim.

Using the land both for its originally intended use without an established need or for an alternative use would be unlikely. The Tribunal claim would still need to be defended and settled.

Under the Crichel Down Rules the Council must first offer it back to the former landowner effectively in line with the recommended decision.

Conflicts of interest declared by an executive member, relating to the decision, and any dispensations granted

None known.
