Purpose: This report provides an overview of the stages followed prior to the formulation of the Strategic Internal Audit Plan for 2016/17 to 2018/19 and the Annual Internal Audit Plan for 2016/17.
The Annual Internal Audit Plan will then serve as the work programme for the Council's Internal Audit Services Contractor; TIAA Ltd.
It will also provide the basis for the Annual Audit Opinion on the overall adequacy and effectiveness of South Holland District Council's framework of governance, risk management and control.

Recommendations:

- 1) That the Committee notes and approves:
 - a) the Internal Audit Charter for 2016/17;
 - b) the Internal Audit Strategy for 2016/17;
 - c) the Strategic Internal Audit Plans 2016/17 to 2018/19; and
 - d) the Annual Internal Audit Plan 2016/17.

1.0 BACKGROUND

- 1.1 The Accounts and Audit Regulations 2015 require that "a relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance".
- 1.2 Those standards are set out in the Public Sector Internal Audit Standards (PSIAS) which came into effect in April 2013.
- 1.3 The attached report contains;
 - the Internal Audit Charter which formally defines the internal audit's purpose, authority and responsibility, and is a mandatory document. The charter also displays formal commitment to the definition of internal auditing, the code of ethics and the Public Sector Internal Audit Standards;
 - the Internal Audit Strategy, which is a strategic high level statement on how the internal audit service will be delivered and developed in accordance with the charter and how it links to the organisational objectives and priorities;
 - the Strategic Internal Audit Plan, which details the plan of work for the next 3 financial years;
 - the Annual Internal Audit Plan, which details the timing and the purpose of each audit agreed for inclusion in 2016/17; and
 - provides the Committee with the performance measures against which the new contractor will be monitored.
