

## SOUTH HOLLAND DISTRICT COUNCIL

**Report of:** Portfolio Holder for Strategy, Governance and Transformation  
Portfolio Holder for Communities and Facilities

**To:** Policy Development Panel, 7 November 2018  
Cabinet, 20 November 2018

**Author:** Donna Hall Licensing and Business Support Manager

**Subject:** Safeguarding Policy

**Purpose:** To consider and approve the new Safeguarding Policy for South Holland District Council

### **Recommendations:**

- 1) That Strategy Board consider the new Safeguarding Policy
- 2) That Strategy Board recommend that the policy goes to Cabinet for approval

### **1.0 BACKGROUND**

- 1.1 Safeguarding encompasses legal duties and responsibilities to protect people's health, wellbeing and human rights, supporting them to prevent problems from escalating and enabling them to live free from harm, abuse and neglect.
- 1.2 District Councils have a range of statutory duties to safeguard and promote the wellbeing of individuals and communities which complement but do not duplicate those of our partners. We work with a wide range of partners including: Childrens Services; Adult Social Care; Health; Police; voluntary organisations and may more.
- 1.3 This Council embraces its duties and responsibilities to keep people safe. A policy ensures that we fulfil our legal duties, taking consistent and effective action to protect those who need safeguarding. This includes:
  - Having effective safeguarding policies and procedures in place
  - Having a workforce who know how to identify concerns
  - Referring concerns to partner agencies
  - Working with closely partners (e.g. police, social care, etc)
  - Undertaking regular audit and scrutiny to test our effectiveness.
- 1.4 This policy and its related procedures apply to and must be available to and followed by all staff, councillors, volunteers, and contractors or consultants working on behalf of and/or representing the Council.
- 1.5 An up to date detailed policy is a key tool which goes some way to enabling us to demonstrate compliance with our obligations as a District Council under the Children Act

2004 and the Care Act 2014.

- 1.6 The Safeguarding Policy has been developed in consultation with the Lincolnshire Children and Adults Safeguarding Boards. Much of the detail in the policy is there to reflect the Boards' current positions and protocols on safeguarding.
- 1.7 The policy sets the strategic position and outlines key information in relation to safeguarding. Procedures have also been written for staff to provide information and processes in more detail. The procedures relate to key areas including: Children; Adults; Domestic Abuse; Hate crime; Modern Day Slavery and Human Trafficking; PREVENT and radicalisation.
- 1.8 Internally, safeguarding is governed by a Strategic Board which is chaired by the Executive Director of Strategy and Governance who is also the Council's Designated Safeguarding Officer. Underneath this board there is an Operational Safeguarding Group which meets regularly and is made up of officers across the Council whose role touches safeguarding: such as Housing and Community Safety. This is facilitated by the Council's two Deputy Safeguarding Lead Officers. In order to support this important work, an internal secondment has now been recruited to, for a shared 12 month Safeguarding Officer post.

## 2.0 **OPTIONS**

- 2.1 Consider the report and attached policy and agree for it to go forward to Cabinet for approval with or without recommendations
- 2.2 Do nothing

## 3.0 **REASONS FOR RECOMMENDATION(S)**

- 3.1 Under section 11 of the Children Act we have a duty to ensure our functions are discharged having regard to the need to safeguard and promote the welfare of children.
- 3.2 The Care Act 2014 requires us to work with other agencies to prevent and stop the risk and experience of abuse or neglect, and ensure that adult's wellbeing is promoted.
- 3.3 A policy is an essential part of meeting this, and we would be criticised by the Children and Adults Safeguarding Boards for failing to adopt and follow such a policy.
- 3.4 It is therefore recommended that the attached policy is considered and approved by Cabinet.

## 4.0 **EXPECTED BENEFITS**

- 4.1 The policy upholds the Council's position in taking all aspects of safeguarding very seriously and provides a clear and consistent framework in doing so.
- 4.2 The policy will enable us to demonstrate compliance with the adult and children safeguarding duties, and will be made available to relevant agencies when we are audited.

- 4.3 The policy will be made available to all staff and members and training and communications will be used promote the key areas within it.
