*** Part year 8 weeks costings**

The ambition to increase the resources for the Pride initiative is being driven by members who appreciate that in order to address the level of litter and required street cleanliness in South Holland, additional income is required to increase the scope of the initiative.

The above table sets out the costings for 2018/19 which accounts for 8 weeks of costs to cover from 4th February to the end of March. These costings are being requested in year because members would like to see the work to address the issues of street cleanliness dealt with as a matter of urgency. Therefore the funding is being sought as part of an officer delegated decision for 2018/19.

The costs for 2019/20 are for the full financial year and are looking to be requested as part of the report to full council in February 2019 as part of the 2019/20 budget.
