To: Cabinet Tuesday, 29 October 2019

(Author: Sharon Hammond Head of Revenues & Benefits)

Subject Debt Write Off – Council Tax

Purpose: To seek approval for the write off of uncollectable Council Tax debt.

Recommendations:

- 1) That the amounts identified in this report are approved for write off.
- 2) To note the amounts written off under delegated powers.

1.0 BACKGROUND

1.1 Efficient and well administered debt management is crucial to the Council. Debt Management and Operational Debt Write Off Policies were approved by Cabinet in July 2017. Further information about the statutory requirements and processes relating to recovery and enforcement of debt was provided at a presentation to Cabinet Members in February 2018.

1.2 The last write off report, which contained Council Tax debt, was presented to Cabinet on 12 March 2019, with a total of £1,211.54 Council Tax debt approved for write off at that meeting.

2.0 WRITE OFFS FOR CABINET APPROVAL

2.1 A review of collectability of outstanding debts has concluded that recovery and enforcement options in respect of the Council Tax debts presented in this report have been considered, and exhausted, and Cabinet approval for write off is now requested.

2.2 The need to write off debt can arise for a number of reasons, including the debtor being untraceable, ceased trading with no assets, or deceased with insufficient funds in the estate. All methods of recovery are considered and pursued in line with legislative provision, before making the decision to write off. This can include internal recovery action, use of debt enforcement agents, external tracing agents and procedures through the Courts.

2.3 A summary of these debts is shown in the table below, totalling £36,588.90 (of which the indicative loss to South Holland District Council is £3,739).

Reason for Write Off	Amount
Absconder	£19,261.25
Deceased	£4,652.34
Insolvency	£12,675.31
Total	£36,588.90

2.4 Details of individual debts are shown in confidential Appendix A to this report. The reason provided for write-off is consistent with the policy approved by Cabinet. Where applicable, multiple debts for an entity are shown together.

2.5 The Operational Debt Write-Off Policy was originally approved by Cabinet in July 2017.

2.6 In line with the policy, prior to this report being presented, consultation has taken place with the Section 151 Officer and the Portfolio Holder for Finance. Cabinet Members can therefore be assured that the debts listed are irrecoverable, and that write off is the correct course of action.

2.7 All debt approved for write off will be set against existing bad debt provisions and can be resurrected in full or in part at any time should new information come to light suggesting that they might be recoverable after all. In all cases collection options have been exhausted and there is no realistic prospect of recovery.

2.8 DELEGATED WRITE OFFS

2.9 The S151 Officer has also written off £10,439.90 (78 debts) in relation to Council Tax sums outstanding below £1,050 (of which the indicative loss to South Holland District Council is £1,067).

2.10 This is broken down by the following categories: -- uneconomical to collect: £693.94, Insolvency: £1,835.23, Uncollectable/Unenforceable: £1,511.68, Absconder: £6,399.05.

3.0 REASONS FOR RECOMMENDATION(S)

3.1 All recovery methods have been considered and where appropriate pursued, before making the decision to write off. Officer time can be maximised on greatest returns, at the same time as ensuring robust procedures for debt management are in place across all revenues streams.

3.2 EXPECTED BENEFITS

3.3 The Council has a clear position in terms of uncollectable debt, and its bad debt position.
