RESPONSIBILITY FOR FUNCTIONS

OFFICER DELEGATIONS

SECTION F1 – GENERAL CLAUSES AND DELEGATIONS RELATING TO NON-EXECUTIVE AND EXECUTIVE FUNCTIONS

- 1.0 Any mention in these Delegated Powers to any Act shall be deemed to extend to any Act amending or replacing the same and to any Regulation and Order made thereunder.
- 2.0 The powers delegated to Officers shall be exercised in accordance with:
- (a) the Standing Orders of the Council;
 - (b) Financial Regulations; and
 - (c) the Law.

- 3.0 The powers shall be exercised in accordance with any policy or direction of the Council or of the Committee concerned (and mindful of the need to avoid any unlawful fetter of discretion) and in particular, so far as the context practically and legally allows, shall be exercised in accordance with the Council's Corporate Plan and other corporate procedures.
- 4.0 The powers delegated to officers permit them to **incur expenditure** as set out in the Finance Procedure Rules and to undertake any action that is incidental to the discharge of any function delegated
- 5.0 Where the Officer is aware that an individual matter raises issues of strategic importance or particular political sensitivity then before exercising any delegated power the Officer must consult the relevant Chairman or Portfolio Holder, and where the Chairman of a Committee or the Portfolio Holder indicates in writing before action is carried out that an individual matter should be referred to Full Council, Cabinet (or other relevant and appropriate Committee) for decision, then the power shall not be exercised and the matter shall be referred back to the Full Council, Cabinet or Committee as appropriate.
- 6.0 Where any matter involves considerations within the professional or technical competence of another officer or officers then, unless the person making the decision (acting reasonably) considers the other officer(s) need not be consulted, the Officer taking the decision shall consult with the other officer(s) before authorising action.
- 7.0 An Officer need not exercise his/her delegated power in any particular matter and shall not do so if in his or her opinion the matter involves questions of policy as yet undecided by the Council, Cabinet, or Committee or any substantial change from previous practice.
- 8.0 Any specific delegations in addition to those listed in this Part 3 Section F which are authorised by any decision-making body of the Council (other than short-term temporary delegations lasting less than six months) shall be recorded by the Senior Legal Officer in a central log kept for that purpose. Any sub-delegation made by an officer and lasting more than six months in duration shall be reported by that Officer to the Senior Legal Officer forthwith and the Senior Legal Officer shall record such sub-delegations in the central log
- 9.0 In accordance with Article 14, The Council's Monitoring Officer and the Senior Legal Officer are authorised to amend these delegations and the log of specific delegations as and when necessary in order to update the same in respect of staffing establishment changes (including changes to post titles) and changes to statutory references. Such amendments shall not require further authorisation
- 10.0 The Council's Monitoring Officer and Section 151 Officer are each authorised to delegate their powers during their absence or where s/he has a conflict of interest. Such delegation may be by way of appointing a Deputy Monitoring Officer or Deputy Section 151 Officer.
- 11.0 Where a decision to be made by any Officer under delegated authority meets the definition of an Executive Decision, that Officer shall be obliged to publish the decision. Where that Executive Decision is also a Key Decision, that Officer shall be obliged to comply with all relevant rules in this Constitution relating to Key Decisions (with particular regard to publishing Key Decisions in advance, publishing decision notices and complying with Call-In).

- 12.0 Chief Officers are authorised to perform any function delegated to an Assistant Director or Service Manager (except where a function is delegated to any Officer in his or her role as Monitoring Officer or Section 151 Officer). Where any delegation to an Assistant Director or Service Manager is subject to consultation with the relevant Portfolio Holder then exercise of that delegation by a Chief Officer will also be subject to consultation with the relevant Portfolio Holder.
- 13.0 Assistant Directors are authorised to perform any of the functions delegated to a Director, and Service Managers are authorised to perform any of the functions delegated to an Assistant Director (other than in either case any function of the Monitoring Officer or S151 Officer) provided that the relevant Director or Assistant Director (as the case may be) has not issued instructions to the contrary
- 14.0 Any officer with delegated powers has power to authorise staff within his/her control to carry out powers delegated to him/her, subject to any conditions or provisos which are imposed. For the avoidance of doubt wherever an officer delegates a function under this paragraph, or any other paragraph of this constitution, this power shall include the power to appoint the relevant officer as an "Authorised Officer" or a "Inspector" or such other title as may be required by legislation.
- 15.0 Any reference in this constitution, and in any separate record of specific delegations, to delegation to an officer at Chief Officer or Deputy Chief Officer level (regardless of post title) includes any Chief Officer or Deputy Chief Officer (as the case may be) who for the time being has responsibility for the department, service area or function in question, whether that officer is employed by the Council or placed at the disposal of the Council by another council pursuant to an agreement under s113 of the Local Government Act 1972.
- 16.0 Any reference in this constitution, and in any separate record of specific delegations, to delegations to Chief Officers or Deputy Chief Officers as a class (regardless of post titles) includes Chief Officers or Deputy Chief Officers (as the case may be) whether those officers are employed by the Council or are placed at the disposal of the Council by another council pursuant to an agreement under s113 of the Local Government Act 1972.
- 17.0 Each Chief Officer shall have the following general powers, and for the avoidance of doubt each officer is hereby appointed as an "Authorised Officer" or an "Inspector" or any other relevant title where legislation requires such appointment in order to undertake the following functions:
- (a) To undertake the **strategic management and control** of the premises and assets for which she/he is responsible. This general power is in addition to any specific powers which may be given to him/her.
 - (b) To **dispose of** vehicles, stores and equipment that have been declared surplus for the best terms obtainable, subject to consultation with the S.151 Officer
 - (c) To be the **Proper Officer** for the purposes of Section 234 of the 1972 Act (as detailed in the list maintained by the Senior Legal Officer), to sign any notice or document which falls to be given, made or issued in the course of the exercise of any power given to him/her by the Council or by these delegations or by other specific instructions) (ie for matters falling within the jurisdiction of the Chief Officer).

- (d) For Directors, to exercise the powers of the other Directors in their absence and (unless the Chief Executive has given instructions to the contrary) the Chief Executive in his/her absence (other than any function of the Head of the Paid Service).
- (e) To **appoint a person to act in his or her place** to exercise a specified power (including any power to act as the proper officer in relation to matters falling within the jurisdiction of the Chief Officer) for a relevant function:
