1.1 What are Financial Procedure Rules?

1.1.1 Section 151 of the 1972 Act states that “every authority shall make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs.

1.1.2 Financial Procedures provide the framework for managing the Council’s financial affairs. Financial Procedures are supported by more detailed Financial Management Standards which set out how the procedures will be implemented. These are listed in Appendix A.

1.1.3 The procedures identify the financial responsibilities of the full Council, the Cabinet and officers.

1.1.4 To avoid the need for regular amendment due to changes in post

(a) titles generic terms are included for officers as follows:

(b) The term, “Chief Internal Auditor”, refers to the Head of Internal Audit and Risk Management

(c) The term, “Executive Management Team (EMT)”, refers to the Council’s Chief Executive, the Directors and the Assistant Directors.

1.2 Why are they important?

1.2.1 To conduct its business effectively, the Council needs to ensure that sound financial management arrangements are in place and that they are strictly adhered to in practice. Part of this process is the establishment of Financial Procedures which set out the financial responsibilities of the Council. These procedures have been devised as a control to help the Council manage its financial matters properly in compliance with all necessary requirements.

1.2.2 Good, sound financial management is a key element of Corporate Governance which helps to ensure that the Council is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.

1.2.3 Good financial management secures value for money, controls spending, ensures due probity of transactions and allows decisions to be informed by accurate accounting information.

1.2.4 Good financial management requires secure and reliable records and systems to process transactions and information and substantiate the effective use of public money.

1.2.5 Financial Procedures should not be seen in isolation, but rather as part of the overall regulatory framework of the Council as set out in this Constitution.

CONTRACT PROCEDURE RULES

1.0 **BASIC PRINCIPLES**

1.1 All procurement procedures must:

- (a) realise value for money by achieving the optimum combination of whole life costs, and quality of outcome,
- (b) be consistent with the highest standards of integrity,
- (c) operate in a transparent manner,
- (d) ensure fairness in allocating public contracts,
- (e) comply with all legal requirements including European Union (EU) treaty principles,
- (f) ensure that non-commercial considerations do not influence any contracting decision,
- (g) support all relevant Council priorities and policies, including the Medium Term Financial Plan, and
- (h) comply with the Procurement Guidance for Officers.

Note: These Rules shall be applied to the contracting activities of any partnership for which the Council is the accountable body unless the Council expressly agrees otherwise.

(See the Log of Delegations to Officers for details of officers who may action this Rule)

2.0 **OFFICER RESPONSIBILITIES**

2.1 **Officers**

2.1.1 Officers will comply with:

- a) these Contract Procedure Rules (CPRs);
- b) the Council's Constitution;
- c) the Log of Delegations to Officers;
- d) with all UK and EU legal requirements (including ensuring that any contractors are mandatorily excluded from participation in a procurement procedure where Regulation 57 of the Public Contracts Regulations 2015 applies).

2.1.2 Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply.

2.1.3 Officers will:

- (a) keep the records required by Rule 5 of these Contract Procedure Rules,
- (b) take all necessary procurement, legal, financial and professional advice, taking into account the requirements of these Contract Procedure Rules,
- (c) prior to letting a contract on behalf of the Council, check whether:
 - (i) the Council already has an appropriate contract in place in the Contracts Register, or:
 - (ii) an appropriate national, regional or other collaborative contract is already in place.

Where the Council already has an appropriate contract in place, then this must be used unless it can be established that the contract does not fully meet the Council's specific requirements in this particular case, and this is agreed following consultation with Contracts Team.

Where an appropriate national, regional or collaborative contract is available, consideration should be given to using this, provided the contract offers value for money.

- (d) ensure that when any employee, either of the Council or of a service provider, may be affected by any transfer arrangement, then any Transfer of Undertaking (Protection of Employment) issues are considered and legal and HR advice from within the Council is obtained prior to proceeding with the procurement exercise.

2.1.4 Failure to comply with any of the provisions of these Contract Procedure Rules the Council's Constitution or UK or EU legal requirements may be brought to the attention of the Monitoring Officer, Head of Internal Audit, or relevant Officer as appropriate. Depending on the nature of the non-compliance this may result in disciplinary action being taken.

2.1.5 A contract may, where considered expedient by a Chief Officer/Deputy Chief Officer, be let through any framework agreement to which the Council has access. Where the contract to be let is subject to the EU Procurement Rules, use of such framework agreement shall be subject to compliance with EU Procurement rules. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

2.2 **Chief Officers / Deputy Chief Officers**

2.2.1 Chief Officers/Deputy Chief Officers will:

- (a) ensure their Service Grouping complies fully and are familiar with the requirements of these Contract Procedure Rules,
- (b) ensure contracts are recorded in the Contracts Register as held and maintained by Contracts Team,
- (c) ensure compliance with English Law, U.K. and EU legislation and Council policy (including ensuring that any contractors are mandatorily excluded from participation in a procurement procedure where Regulation 57 of the Public Contracts Regulations 2015 applies);
- (d) ensure value for money and optimise risk allocation in all procurement matters;
- (e) ensure compliance with any guidelines issued in respect of these Contract Procedure Rules
- (f) take immediate action in the event of a breach of the Contract Procedure Rules or any Code of Practice within their directorate or service area;
- (g) ensure that all existing and new contracts anticipated during the forthcoming financial year are clearly itemized in the Budget supporting documentation;
- (h) make appropriate arrangements for the opening of tenders and their secure retention;
- (I) submit to the Contracts Team tender forms as required by these Contract Procedure Rules;
- (j) ensure original contract documents are forwarded to the Senior Legal Officer for safekeeping;
- (k) ensure effective contract management, contract reviews and monitoring during the lifetime of all contracts in their areas;
- (l) seek and act upon advice from the Contracts Team where necessary to ensure compliance with these responsibilities; and
- (m) keep records of waivers/variations of any provision of these Contract Procedure Rules.

2.2.2 Chief Officers/Deputy Chief Officers must keep a register of:

- (a) contracts entered into by or on behalf of the Council, and
- (b) exemptions recorded under Rule 3 and satisfy themselves that the use of exemptions has been monitored by the Contracts Team.

3.0 **VARIATIONS AND EXEMPTIONS**

3.1 Except where the Public Contracts Regulations 2006 apply, the Cabinet has the power to waive any requirements within these Contract Procedure Rules for specific projects. An exemption under this Rule 3 allows a contract to be placed by direct negotiation with one or more suppliers rather than in accordance with Rule 9. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

3.2 Additionally, these Contract Procedure Rules may be waived or varied where the circumstances are certified by the Contracts Team as meeting any of the following criteria.

- (a) for works, supplies or services which are either patented or of such special character that it is not possible to obtain competitive prices;
- (b) for supplies purchased or sold in a public market or auction;
- (c) for the execution of works or services or the purchase of supplies involving specialist or unique knowledge or skills;
- (d) with an organisation which has won a contract for an earlier phase of work via a competitive process and where the work forms part of a serial programme and has previously been identified as such;
- (e) with an organisation already engaged by the Council for a similar and related procurement and where there is significant benefit to extending the contract to cover this additional requirement, without exposing the Council to unacceptable risk;
- (f) for works, supplies or services which are only available from one organisation;
- (g) involving such urgency that it is not possible to comply with the Contract Procedure Rules;
- (h) for the purchase of a work of art or museum specimen, or to meet the specific requirements of an arts or cultural event which cannot be procured competitively due to the nature of the requirement;
- (i) in relation to time-limited grant funding from an external body, where the time limitations will not allow a competitive procurement process to be completed and where the grant conditions allow this;
- (j) where relevant UK or EU legislation not otherwise referred to in these Contract Procedure Rules prevents the usual procurement process from being followed;
- (k) goods works or services contracts may be awarded directly to companies which can be legally defined as a "Teckal" company. The control the local authority exercises over the company must be similar to that which it exercises over its own departments; and at least 80% of the function of the company's activities must be with the controlling local authority or authorities.

3.3 In addition to approval by the Contracts Team:

- (a) the Monitoring Officer must be consulted where purchases are to be made using standing arrangements with another local authority, government department,

health authority, primary care trust, statutory undertaker or public service purchasing consortium.

- (b) The Monitoring Officer must be consulted where the contract is an extension to an existing contract and a change of supplier would cause:
 - (i) Disproportionate technical difficulties
 - (ii) Diseconomies
 - (iii) Significant disruption to the delivery of Council services.
- 3.4 Every variation/exemption form will be recorded on a master register to be maintained by the Contracts Team.
- 3.5 Where a variation/exemption is being applied for by the Contracts Team, it must also be scrutinised by the Monitoring or S151 Officer, to ensure the robustness of the procedure.
- 3.6 The use of e-procurement does not negate the requirement to comply with all elements of these Contract Procedure Rules. The circumstances under which an exemption to the use of e-procurement can be requested are detailed in Rule 11.
- 3.7 Where a variation/exemption is necessary because of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to Council services, Chief Officers/Deputy Chief Officers may approve the exemption but must prepare a report for the next meeting of the Cabinet to support the action taken.
- 3.8 Any exemption granted for more than one year must be reviewed annually and either reconfirmed or amended.
- 3.9 Where grant conditions require expenditure to be incurred within a financial year, and notification of grant is received so late as to prevent compliance with CPR 9, an exemption may be approved by the Corporate Management Team on receipt of a report from the Chief Officer/Deputy Chief Officer.
- 3.10 The Contracts Team must monitor the use of all exemptions.

4.0 **RELEVANT CONTRACTS**

- 4.1 All Relevant Contracts must comply with these Contract Procedure Rules. A Relevant Contract is any arrangement made by, or on behalf of, the Council for the carrying out of works, supplies, goods, materials or services. These include arrangements for:
 - (a) the supply or disposal of goods or materials,
 - (b) the hire, rental or lease of goods or equipment,
 - (c) execution of works,
 - (d) the delivery of services, including (but not limited to) those related to:
 - (i) the recruitment of staff
 - (ii) land and property transactions

- (i) financial and consultancy services
- (iv) the supply of staff by employment agents, consultants or any other companies

4.2 Relevant Contracts do not include:

- (a) contracts of employment which make an individual a direct employee of the authority,
- (b) agreements regarding the acquisition, disposal, or transfer of land (to which the Financial Procedure Rules apply), or:
- (b) the payment of grants to third parties.

Note: While grants are not covered by these Contract Procedure Rules, there are rules on the awarding of grants which do need to be observed. The Council cannot simply choose to treat a procurement, as a grant in order to avoid conducting a competitive process.

5.0 **RECORDS**

1.0 The Public Contracts Regulations 2015 require contracting authorities to maintain the following comprehensive records of procurement activities:

- (a) contract details including value
- (b) selection decision
- (c) justification for use of the selected procedure
- (d) names of bidding organisations, both successful and unsuccessful
- (e) reasons for selection
- (f) reasons for abandoning a procedure

5.2 The outcome of any competitive procurement process must be recorded in a Report and submitted to the Contracts Team. The Contracts Team will maintain a register of all such Reports. Information from these Reports will also be used for the tracking of procurement savings, sustainability benefits, and other data.

5.2A Most contracts will be awarded by officers making a decision under delegated authority (see the Log of Delegations to Officers). All such officer decisions must be published unless the decision is administrative, minor or not closely connected to the discharge of an executive function. Some decisions will be subject to Call-In. Where Call-In applies the winning contractor must not be advised of the outcome of the process until the Call-In period has expired.

5.3 Where the total value is less than £75,000.00 for works and £75,000.00 for supplies of goods materials or services, the following documents must be kept;

- (a) invitations to quote;
- (b) a written record of:

- (i) any exemptions and reasons for it; and
 - (ii) the reasons if the lowest price is not accepted
 - (c) Written records of communications with the successful contractor.
- 5.4 Where the total value exceeds £75,000.00 for works and £75,000.00 for supplies of goods, materials or services, the Officer must record:
- (a) pre-tender market research;
 - (b) the method of obtaining bids
 - (c) any contracting decision and the reason for it
 - (d) any exemption under Rule 3 together with the reasons for it
 - (e) the award criteria
 - (f) tender documents sent to and received from candidates
 - (g) the contract documents
 - (h) clarification and post-tender negotiation (to include minutes of meetings)
 - (i) written records of communications with candidates and with the successful contractor throughout the period of the contract
- 5.5 Written records required by this Rule 5 must be kept for six years (twelve years if the contract is under seal) after the final settlement of the contract. However, documents which relate to unsuccessful candidates may be microfilmed or electronically scanned or stored by some suitable method after twelve months from award of contract, provided there is no dispute about the award.
- 5.6 Subject to complying with Rule 5.2A, prospective candidates must be notified simultaneously in writing and as soon as possible of any contracting decision. If a candidate requests in writing the reasons for a contracting decision, the officer must give the reasons in writing within 15 days of the request.
- 5.7 The Freedom of Information Act 2000 gives a general right of public access to all types of 'recorded' information held by public authorities, sets out exemptions from that general right, and places a number of obligations on public authorities with regard to the disclosures of information. The Council will, as a general rule, allow public access to recorded information where possible and the contractor shall agree to the Council making any disclosures in accordance with the Act.
- 6.0 **RISK ASSESSMENT**
- 6.1 All procurements via Invitation to Tender, and Requests for Quotation where appropriate, must be supported by a risk assessment. This risk assessment must be carried out at the start of the procurement process.
- 6.2 The risk assessment process will identify where further specialist advice should be sought.

6.3 Full details of the process to be followed, including the approved risk log and matrix, are available in the Procurement Guidance for Officers.

7.0 **ADVERTISING**

7.1 The Procurement Officer will ensure that the minimum advertising requirements, in line with EU treaty principles and as outlined in the Procurement Guidance for Officers, are met.

8.0 **APPROVED LISTS AND FRAMEWORK AGREEMENTS** **(See the Log of Delegations to Officers for details of officers who may action this Rule)**

8.1 **Approved Lists**

8.1.1 Approved lists must not be used where they are prohibited under the Public Contracts Regulations 2015.

8.1.2 This Rule shall have effect where the Council has determined that a Standing List or Lists shall be kept of persons suitable for undertaking contracts for the execution of specified categories of work or for the supply of specified categories of goods, materials or services within such values or amounts as may be specified. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

8.1.3 Standing Lists should be used where recurrent transactions of a similar type are likely but where such transactions need to be priced individually and cannot easily be aggregated and priced in a single tendering exercise. Standing Lists cannot be used where the EU Procedure applies. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

8.1.4 Standing Lists shall:

- (a) be compiled following the procedure stipulated in this Rule 0
- (b) contain the names and addresses of all persons whose requests to be included have been approved by the Deputy Chief Officer in consultation with the Contracts Team.
- (c) no persons may be entered on a Standing List until there has been an adequate investigation into both their financial and technical ability to perform the contract, unless such matters will be investigated each time tenders are invited from that list.
- (d) no persons shall be precluded from inclusion on a Standing List other than for good reasons.
- (e) indicate whether a person whose name is included is approved for contracts of all or only some of the specified categories, values or amounts.
- (f) be kept by the relevant Deputy Chief Officer who will co-ordinate all enquires in respect of the list.
- (g) Standing Lists must be drawn up after an advertisement inviting applications for inclusion on the list. The advertisement must be placed to secure widest publicity amongst relevant suppliers and not less than four weeks before the list is first

compiled. Persons may be entered on a list between the initial advertisement and re-advertisement provided the requirements of Rule 0 are met.

8.1.5 Standing Lists and shortlisting criteria must be reviewed at least annually and re-advertised at least every three years, Review means:

- (a) the reassessment of the financial, technical ability and performance of those persons on the list unless such matters will be investigated each time Candidates are invited from that list, and
- (b) the deletion of those persons no longer qualified, with a written record kept justifying the deletion.

8.1.6 On re-advertisement, a copy of the advertisement must be sent to each person on the list, inviting them to apply at least four weeks before each review.

8.1.7 All Standing Lists must be open to public inspection.

8.1.8 Where invitation to tender for a contract is limited to persons whose names appear on a Standing List maintained under this Rule 0, an invitation to tender for that contract shall be sent to at least four of those persons. Each person invited to tender must be approved for a contract for the category, value or amount selected. If there are insufficient suitably qualified persons to meet the competition requirement, all suitably qualified persons must be invited. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

8.2 **Framework Agreements**

8.2.1 Framework Agreements are agreements between the Council and one or more suppliers for the provision of goods, works or services on agreed terms for a specific period, for estimated quantities against which orders may be placed if and when required during the contract period.

8.2.2 The term of a Framework Agreement must not exceed four years and, while an agreement may be entered into with one provider, where an agreement is concluded with several organisations, there must be at least three in number.

8.2.3 Where Frameworks are awarded to several organisations, contracts based on Framework Agreements may be awarded in one of two ways, as follows:

- (a) where the terms of the agreement are sufficiently precise to cover the particular call-off, by applying the terms laid down in the Framework Agreement without re-opening competition, or
- (b) where the terms laid down in the Framework Agreement are not precise or complete enough for the particular call-off, by holding a further competition in accordance with the following procedure:
 - (i) inviting the organisations within the Framework Agreement, that are capable of executing the subject of the contract, to submit bids, with an appropriate time limit for responses, taking into account factors such as the complexity of the subject of the contract,

- (ii) awarding each contract to the bidding organisation who has submitted the best bid on the basis of the relevant Award Criteria set out in the Framework Agreement.

8.2.4 Where a Framework Agreement is used and the arrangements under that Agreement include mini competition, the Log of Delegations to Officers details which officers may seek, receive and evaluate quotations/tenders.

8.2.5 Most contracts will then be awarded by officers making a decision under delegated authority (see the Log of Delegations to Officers). All such officer decisions must be published unless the decision is administrative, minor or not closely connected to the discharge of an executive function. Some decisions will be subject to Call-In. Where Call-In applies the winning contractor must not be advised of the outcome of the process until the Call-In period has expired.

9.0 COMPETITION REQUIREMENTS / ASSETS FOR DISPOSAL

9.1 Competition Requirements

9.1.1 The Procurement Officer must establish the total value of the procurement including whole life costs and incorporating any potential extension periods which may be awarded. Where EU Procurement rules apply, Chief Officers/Deputy Chief Officers must also ascertain the value of a contract in accordance with those rules.

9.1.2 Contracts must not be artificially under or over estimated or divided into two or more separate contracts where the effect is to avoid the application of Contract Procedure Rules/EU Regulations and UK legislation.

9.1.3 Where the estimated total value for a purchase is within the values in the first, second and third columns of the table below, the tendering procedure in the fourth column must be followed. (Please see the Log of Delegations to Officers for details of officers who may action this Rule.)

Works	Supply of Goods, Materials and Services	Consultants	Tendering Procedure
up to £4,999	up to £4,000	up to £4,999	One quote – this should be a local provider unless not appropriate. A purchase order should be raised.
£5,000 - £24,999	£5,000 - £24,999		At least three quotes shall be sought. Local providers must have been given an opportunity to provide a quote. A purchase order should be raised.

£25,000 to £74,999	£25,000 to £74,999	£25,000 to £74,999	At least five written quotes shall be sought. Local providers must have been given an opportunity to provide a quote. A purchase order should be raised.

*Latest published EU Procurement Thresholds January 2016. These amounts will need to be updated as and when EU Thresholds change.

9.1.4 Where it can be demonstrated that there are insufficient suitably qualified candidates to meet the competition requirements, all suitably qualified candidates must be invited. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

9.1.5 An officer must not enter into separate contracts nor select a method of calculating the total value in order to minimize the application of the Contract Procedure Rules.

9.1.6 Where services are currently purchased internally, i.e. from within the Council, for internal provision, the requirement to obtain other quotations or tenders does not apply. However, the purchaser may choose to seek alternative quotations/tenders for the purpose of market testing.

9.1.7 Where the Public Contracts Regulations 2015 apply, the procuring Officer shall consult the Contracts Team to determine the procedure for conducting the procurement exercise.

9.1.8 External consultants and other professional advisers shall only be appointed if the process of tendering as prescribed for contracts in Parts B or C above has been followed except

- (a) where the nature of the work is deemed by a Chief Officer/Deputy Chief Officer to be so specialised as to preclude quotations or tenders being received from more than one source; or
- (b) where the advice or work of a consultant is in the opinion of the Chief Officer/Deputy Chief Officer required as a matter of urgency; or
- (c) the appointment is made from a list approved by the relevant Cabinet Member and the fee involved does not exceed £10,000

9.1.9 After the exercise of this power a report shall be made to the relevant Cabinet Member and if they so require a further report shall be made to the Cabinet

**9.2 Assets for Disposal
(See the Log of Delegations to Officers for details of officers who may action this Rule)**

9.2.1 Assets for disposal must be dealt with in accordance with the Council’s Financial Procedure Rules.

9.2.2 Assets for disposal must be sent to Public Sale except where better value for money is likely to be obtained by inviting quotations and tenders. In the latter event, the method for disposal of surplus or obsolete stocks/stores or assets other than land must be determined as follows:

Total Value	Procedure
Up to £5,000	Two written quotations or public sale
£5,000.01 and above	At least three written quotations or public sale, or an invitation to tender

10.0 PRE-TENDER MARKET TESTING AND CONSULTATION

10.1 The Council may consult potential suppliers, prior to the issue of the Invitation to Tender or Request for Quotation, in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any potential organisation. (See the Log of Delegations to Officers for details of officers who may action this Rule.)

10.2 When engaging with potential suppliers, the Council must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, and where this may prejudice the equal treatment of all potential bidding organisations or distort competition,

10.3 In undertaking any market testing activities, the Officer responsible should refer to any guidance contained in the Procurement Guidance for Officers.

**11.0 EVALUATION CRITERIA AND STANDARDS
(See the Log of Delegations to Officers for details of officers who may action this Rule)**

11.1 **Evaluation Criteria**

11.1.1 In any procurement exercise the successful bid should be the one which:

- (a) offers the lowest price where payment is to be made by the Council, or offers the highest price if payment is to be received, or:
- (b) offers the most economically advantageous balance between quality and price.

11.1.2 In the latter case, the Council will use criteria linked to the subject matter of the contract to determine that an offer is the most economically advantageous, for example: price, service, quality, technical merit, aesthetic and functional characteristics, environmental characteristics, running costs, cost effectiveness, safety, after-sales service, technical assistance, delivery date, delivery period and period of completion.

11.1.3 Issues that are important to the Council in terms of meeting its corporate objectives can be used to evaluate bids. The criteria can include, for example sustainability considerations, support for the local economy, or the use of sub-contractors. The bidding organisations' approaches to continuous improvement and setting targets for service improvement or future savings could also be included. All criteria must relate to the subject matter of the contract, be in line with the Council's corporate objectives and must be objectively quantifiable and non-discriminatory.

11.1.4 The procurement documentation should clearly explain the basis of the decision to bidding organisations, making clear how the evaluation criteria specified in the process will be applied, the overall weightings to be attached to each of the high-level criteria, how the high-level criteria are divided into any sub-criteria and the weightings attached to each of those sub-criteria.

11.1.5 The evaluation criteria must not include:

- (a) Non-commercial considerations
- (b) Matters which discriminate against suppliers from the European Economic Area *or signatories to the Government Procurement Agreement*.
- (c) Matters which are anti-competitive within the meaning of the Local Government Act 1988.

11.2 **Standards**

11.2.1 Relevant British, EU and International standards which apply to the subject matter of the contract and which are necessary to properly describe the required quality must be included with the contract. The Monitoring Officer must be consulted if the officer proposes to use standards other than European standards.

11.2.2 Officers should refer to any further guidance outlined in the Procurement Guidance for Officers.

12.0 **INVITATION TO TENDER / REQUEST FOR QUOTATION**
(See the Log of Delegations to Officers for details of officers who may action this Rule)

- 12.1 Invitations to Tender/Requests for Quotation must be issued in accordance with the requirements of these Contract Procedure Rules, with particular attention to Rule 7, Rule 9 and Rule 17.
- 12.2 The Invitation to Tender shall state that no tender will be considered unless it is received by the date and time stipulated in the Invitation to Tender. No tender delivered in contravention of this Rule 12.2 shall be considered.
- 12.3 All Invitations to Tender shall include the following:
- (a) A specification that describes the Council's requirements in sufficient detail to enable the submission of competitive offers, together with the terms and conditions of contract that will apply.
 - (b) A requirement for candidates to declare that the tender content, price or any other figure or particulars concerning the tender have not been disclosed by the candidate to any other party (except where such disclosure is made in confidence for a necessary purpose).
 - (c) A requirement for candidates to complete fully and sign all tender documents including a form of tender and certificates relating to canvassing and non-collusion.
 - (d) Notification that tenders are submitted to the Council on the basis that they are compiled at the candidates expense.
 - (e) A description of the award procedure and, unless defined in a prior advertisement, a definition of the award criteria in objective terms and if possible in descending order of importance.
 - (f) The method by which arithmetical errors discovered in the submitted tenders are to be dealt with. In particular, whether the overall price prevails over the rates in the tender or vice versa.
- 12.4 The Invitation to Tender or Requests for Quotation must state that the Council is not bound to accept any tender or quotation.
- 12.5 All candidates invited to tender or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.
- 13.0 **SHORTLISTING**
- 13.1 Any shortlisting (i.e. supplier selection or pre-qualification) must have regard to the economic, financial and technical standards relevant to the contract and the Evaluation Criteria. Special rules apply to contracts covered by the Public Contracts Regulations 2015.
- 14.0 **SUBMISSION, RECEIPT AND OPENING OF TENDERS / QUOTATIONS**
(See the Log of Delegations to Officers for details of officers who may action this Rule)

14.1 **Tenders**

14.1.1 Bidding organisations must be given an adequate period in which to prepare and submit a proper quotation or tender, consistent with the complexity of the contract requirements. Where the Public Contract Regulations 2015 apply, Part 3 of the Regulations lays down specific minimum time periods for tenders.

14.2 **Tender Contents**

14.2.1 Each tender must contain:

- (a) An undertaking signed by the tenderer that to the best of their knowledge and belief they have complied with all the relevant provisions of the Health and Safety at Work Act 1974 and regulations made under it;
- (b) A statement that the tenderer will comply with all current relevant British Standard Specification or Code of Practice or equivalent European Union or international standards offering guarantees of safety, reliability and fitness for purpose;
- (c) A statement by the tenderer that they will not try to obtain or receive by whatever means any information which gives or is intended to give the tenderer or another party any unfair advantage over any other tenderer (including the Council's own workforce) in relation to the tendering for and award of any works/services contract;
- (d) A statement that the Council shall not be liable for expenses incurred in the preparation of tenders; nor shall the Council be bound to accept the lowest or any tenders submitted; nor shall the Council have to give reasons for the rejection of any tender and shall have reserved to them the right to invite fresh tenders should they consider that course desirable.

14.3 **Electronic Arrangements**

14.3.1 Quotations, Further Competition bids and Pre-Qualification Questionnaires which are received electronically will be opened by the Contracts Team. The system will not allow any quotations to be opened until the allocated return date / time has passed.

14.3.2 Tenders which are received electronically via the e-tendering system will be opened by a representative from the Authorised officer of relevant team. (See the Log of Delegations to Officers for details of officers who may action this Rule).

14.4 **Hard Copy Arrangements (See the Log of Delegations to Officers for details of officers who may action this Rule)**

14.4.1 In the event that 'hard copy' tenders are to be accepted these must be submitted, sealed, in the envelope provided with the procurement documents and addressed to the Monitoring Officer without any mark revealing the bidding organisation's identity.

14.4.2 All hard copy tenders will be held by the Monitoring Officer until the tender opening date/time has been reached. The Monitoring Officer must not disclose the names of candidates to any staff involved in the receipt, custody or opening of tenders. Receipt of each tender must be

- (a) Date stamped;

- (b) Initialed by the receiving officer or the Monitoring Officer; and
- (c) Logged immediately upon receipt in the tender register.
- (d) All hard copy tenders for the same contract will be opened at the same time by a representative of the Chief Officer/Deputy Chief Officer who invited the tenders and a representative from the Authorised officer of relevant team. However, any such clarification must not involve changes to the basic features of the bidding organisation's submission. (See the Log of Delegations to Officers for details of officers who may action this Rule).

15.2 Post tender negotiation means negotiations with any tenderer after submission of a tender and before the award of the contract with a view to obtaining an adjustment in price, delivery or content. It must not be conducted in an *EU Procedure* where this might distort competition particularly with regard to price. Where post tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but re-tendered. (See the Log of Delegations to Officers for details of officers who may action this Rule).

15.3 If post tender negotiations are necessary after a single stage tender or after the second stage of a two stage tender, then such negotiations shall only be undertaken with the tenderer who has previously been identified as submitting the best tender. Tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in the tender documents. 16.1.2 The arithmetic in compliant tenders must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their tender. Alternatively, if the rates in the tender, rather than the overall price, were stated within the Invitation to Tender as being dominant, an amended tender price may be requested to accord with the rates given by the tenderer.

16.1.3 Deputy Chief Officers must ensure that submitted tender prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily.
