South Holland Discretionary Business Grants Scheme – To approve the Council’s approach to the delivery of the Phase 2 of the discretionary business grants scheme, to support businesses affected by Covid-19	The Deputy Leader (Portfolio Holder – Growth and Commercialisation)	28 th July 2020	The economic need to mobilise the programme as soon as practicably possible, and a government expectation that local authorities will start making payments to businesses under their schemes in early August, and the Council wishes to be in a position to start making payments to local traders as soon as possible. It is therefore necessary that the authority agrees the principles under which its own scheme will operate, so as to enable mobilisation of the scheme in a timely fashion.
