

Partnership Model – 8 Key Steps

Partnership Model – 8 Key Steps

- Based on best practice examples the Next Steps have been identified to help focus the engagement for the new local strategy partnership and the wider opportunity the Partnership Model could provide.
- The scale and appetite of ambition is the first step as this can help shape the Memorandum of Agreement (MOA) between the parties as an early commitment.
- The additional steps 2-8 will help build the underlying principles for the Outline Business Case.
