SUMMARY

HR policies require regular review to ensure they are within the legal framework and reflect best practice. This report brings forward HR policies for review. The Policies have been developed by Public Sector Partnership Services, as the Councils' HR providers; with input from a Readers' Panel consisting of Officers and trade unions. The Readers' Panel have confirmed that operationally the policies are practical to implement. In addition, the policies have the support of trade unions.

The Business Case for the South & East Lincolnshire Councils Partnership identifies the opportunity to align policy in several areas of the Councils and adopting the policies as set out will create that alignment. The Policies have been reviewed by Policy Development Panel and the Panel is supportive of the revisions to the policies.

RECOMMENDATIONS

- That Council approves the HR policies appended to this report.

REASONS FOR RECOMMENDATIONS

- HR policies need to be regularly updated to ensure they reflect best practice and are within the legal framework. This review has provided the opportunity to seek consistency in HR Policy across the Partnership.

OTHER OPTIONS CONSIDERED

- None

1. BACKGROUND

- 1.1** When the South & East Lincolnshire Councils Partnership formed it identified an opportunity to align several areas of Policy across the Partnership.
- 1.2** It is important HR Policies are regularly reviewed to ensure they remain appropriate, reflect legislation and best practice and enable the Head of Paid Service to effectively manage the workforce.

2. REPORT

- 2.1** At present, each Council within the Partnership has slight variations in its HR Policies.
- 2.2** Having a single set of shared HR policies for each Council will ensure consistency in the way the Partnership's workforces are managed. Given many services across the Councils are already working together this is becoming increasingly important. There is also the benefit to Public Sector Partnership Services of a single HR Policy set for each of the three Councils as it means rather than HR advisors administering three different policy sets, they only need to administer one.
- 2.3** This report brings forward six policies for Council's consideration. These are a new Equality, Diversity & Inclusions policy (Appendix A), as well as amendments to five existing aligned policies after a review of their implementation (Appendices B – F). The existing aligned policies were reviewed and approved by Full Council in July 2022. Approval sought for these policies is on the amendments only as outlined in the 'Existing Policies' table at 2.5.
- 2.4** The policies – as presented in the appendices – have been reviewed by an internal Reader's Panel of Officers (from across the Partnership); trade unions and Leadership Team. The policies have their support.

2.5 The policies appended to this report are:
