## SUMMARY

When the Partnership was formed it was agreed in the Memorandum of Agreement that there would be an annual joint scrutiny undertaken to review progress of the Partnership and to understand its effectiveness and the opportunities for its further development.

This report brings forward the proposed scope of that scrutiny and seeks a member appointment to the Task Group.

This report is being considered by ELDC's Overview Committee, BBC's Environment & Performance Overview and Scrutiny Committee and SHDC's Performance Monitoring Panel.
