1. Background

- 1.1. The Governance and Audit Committee regularly considers a variety of reports from Internal Audit, External Audit and the Section 151 Officer.
- 1.2. Many of these reports are considered at regular intervals, the majority being annually, half-yearly or quarterly.
- 1.3. In addition to these reports, the Committee also considers issues on an ad-hoc basis with some reports arising from consideration of items at previous meetings.

2. Report

- 2.1 Attached at Appendix A to this report is the Work Programme for the Governance and Audit Committee. It lays out the meeting dates for the 2024/25 municipal year. Alongside each of these meeting dates are issues considered by the Committee on a regular basis together with the author of the report, its purpose and whether it is mandatory, and the frequency with which it is considered.
- 2.2 It has been agreed that this Work Programme be a regular item for consideration on the Committee's agenda, thus creating a formal document laying out the work of the Committee in a clear, structured, and organised way.
- 2.3 The attached document contains items considered on a regular basis, and also any ad hoc issues as and when they arise, for example, issues raised at a meeting to be covered at a future meeting, and any one-off issues.
- 2.4 Attached at Appendix B is a schedule of training that has been undertaken since 2019, and a list of suggested future topics for training. This was considered at the meeting of the Committee on 17 March 2022, and will continue to be attached to this report for information, and to monitor progress.

3. Conclusion

- 3.1. In presenting the information to the Committee, and by having the report as a standing item on the agenda, it will allow Committee members to feed into the Work Programme on a regular basis, to ensure that it stays relevant and up to date.
