The team also gather statistics across a range of areas to understand how much interaction is being achieved through social media channels, for example, and adapt messages and channel shift to ensure messages are being heard and well received. Recently we have adopted an engagement charter across the partnership.	2	3	Medium (6)	Tolerate		N/A	2	3	Medium (6)	Q2 25/26	
SHDC03	Retention of staff	The recruitment of new and retention of existing staff within the organisation affecting the ability for the organisation to deliver and meet its objectives	AD-C	Recruitment challenges across region Specialist role recruitment can be difficult Competitive salaries offered at other organisations Uncertain financial climate	Failure to recruit Lack of resources Additional pressure on existing staff	The workforce strategy is aligned across the 3 Councils. A training programme is in place to assist with both personal and professional development and to further develop the talents of individual employees. This programme sits alongside a package of personal support for staff. Managers are encouraged to have regular 'one to ones' with staff to ensure that they are fully supported in their roles. Appraisal process in place. We have launched our own recruitment academy which seeks to recruit and develop apprentices specifically in those services where it is harder to recruit. The new managers development programme has launched, with the first cohort inducted. We also continue to have in place our Future Leaders' Programme to support colleagues in their career development. Corporate Management Team invest time in mentoring colleagues within the organisation through both of these development programmes.	2	4	Medium (8)	Treat	A refresh of the Workforce Development Strategy action plan will take place this year to help ensure colleagues have the skills and confidence required to continue to want to work in Local Government post re-organisation: by 31/3/26	3/31/2026	2	4	Medium (8)	Q2 25/26	Wording and planned action reviewed and updated
SHDC04	Service Delivery	The risk to service delivery, impacting residents and partners we work with.	AD-C	Lack of training Lack of leadership No resources/budget Communication failure Poor performance Ineffective governance Lack of learning/feedback	Failure to meet needs of residents and partners Negative feedback and press coverage Reputational damage	Staff resources maximised under the Partnership. Working with external partners to deliver shared priorities. HR support on recruitment and retention. Training plans. Values & behaviours work; Annual Delivery Plan, Workforce Development, policies, and procedures.	2	3	Medium (9)	Treat	A number of service reviews are progressing at the moment which seek to increase resilience and support service delivery to all Councils. SHDC05	Technology infrastructure failure	The loss of ICT impacting upon the organisation to operate effectively and deliver services to residents. The Council relies heavily on the ICT infrastructure for normal business operation. Whilst resilience is built into the environment, the loss of a service is always possible. Depending on the service lost, the impact could be severe	AD-C	Human error Power failure Security Hardware Link failure	The Council relies heavily on the ICT infrastructure for normal business operation. Whilst resilience is built into the environment, the loss of a service is always possible. Depending on the service lost, the impact could be severe	The Council has a series of resilience arrangements in place through its service provider, PSPS. SHDC06	Internal Communications	The risk is that internal colleagues do not fully understand the aims and ambitions of the partnership and the role they play in the partnership's success.	AD-C	Low frequency of communications No communication from senior leadership team Lack of engagement from partners/PSPS Failure to understand staff needs/feedback	Staff do not feel informed Reduction in morale/engagement High turnover Lack of service delivery	Internal communications approach has been reviewed. There isn't a one size fits all approach for the Council/Partnership given the breadth of services provided and this is reflected in the internal communications model. Staff informed levels are monitored through the performance framework on a quarterly basis with the results being considered by scrutiny and Cabinet. Regular all staff bulletins with key information are issued. Regular videos from Senior leadership team to the workforce. Briefings on key corporate topics take place. Regular team meetings between service managers and their officers to cascade information. Monthly service manager meetings. SHDC07	Cyber Incident	The risk of the council's ICT infrastructure being severely impacted as the result of a cyber incident, both in terms of downtime of systems and loss of data/information. The threat landscape across the UK is continuously increasing and appears on the national risk assessment. The Council need to constantly adapt in its security mitigation and training to ensure they are both prepared from a technical and from a people aspect	AD-C	The threat landscape across the UK is continuously increasing and appears on the national risk assessment. The Council need to constantly adapt in its security mitigation and training to ensure they are both prepared from a technical and from a people aspect	Theft of corporate information theft of financial information (eg bank details or payment card details) theft of money disruption to service provision loss of business or contract loss of trust in customers/residents and partners	Defence in depth in the form of firewalls, Mimecast and antivirus is deployed both at the perimeter and the internal Local Area Network. The ICT team play an active part in the East Midlands WARP (Warning, Advice and Reporting Point) which allow us to have early sight of issues being experienced across neighbouring Authorities and Agencies. ICT is also a member of the CISP formed by the National Cyber Security Centre, this allows us early awareness from the central agency responsible for cyber threats across the UK as well as allowing them to monitor our environment to a degree. These mitigations afford ICT awareness of emerging threats. We are about to commission an external validation of our cyber response plan for ICT. We have also recently enabled and implemented further cyber security controls within Mimecast which will ensure further mitigation in this area is in place.	3	5	High (15)	Tolerate	Continued robust cyber security and training	N/A	3	5	High (15)	Q2 25/26

SHDC09	Economic Growth	The risk of the economy of South Holland as a whole experiencing a downturn, resulting in both employment and business closures, and having a consequential impact on a range of resident wellbeing.	D-ED	Increasing costs Fuel costs Lack of transport Lack of jobs/growth Infrastructure/Access	Struggling/failing local businesses; Stagnating local economy; Lack of inward investment; Low skills and aspirations; Low visitor numbers; Future sustainability of the Town Centre - retail, evening economy, housing, heritage, culture, leisure, events, car parking; Community perceptions.	The council regularly monitors the impact of the local economy through regular engagement with businesses and partners. Engagement with business and the council remains high. A large proportion of the economy of South Holland is structured around the agriculture, food production and distribution, and horticultural sector which continues to be largely resilient to the effects of the pandemic on the wider economy from a demand-side perspective but continues to grapple with supply-side constraints relating to access to labour, logistics capacity, carbon reduction and supply-chain challenges that impede growth. The council's longer term economic strategy of supporting innovation and productivity in the core agri-food sector to overcome some of these challenges is intended to further support this resilience, therefore supporting the wider supply chain and business cluster within the district.	3	3	Medium (9)	Tolerate	Continue to implement the Growth and Prosperity Plan	N/A	3	3	Medium (9)	Q2 25/26	
SHDC10	Introduction of Extended Producer Responsibility	The UK is undergoing a major overhaul of packaging producer responsibility legislation, which will transform the way local authorities receive funding for household waste collections. This risk covers the changes this legislation will bring which will be positive but also important to ensure we as an organisation are prepared for these changes.	AD-N	Reforms seek to introduce principles of extended producer responsibility (EPR) to the UK's packaging waste management sector and will, primarily, see the cost burden of collecting householders' packaging waste shift from local taxpayers to the producers of packaged products	Funding Gaps Negative Press Budget implications	Officers closely follow all policy and practice changes being implemented by the Government and has responded to relevant consultations. This is also being monitored through the countywide Strategic Officer Working Group. Officers are attending Defra webinars on a regular basis, and taking part in research where relevant. The SELCP Waste Improvement Programme Board is made aware of any updates from Defra.	2	2	Low (4)	Tolerate	Pending Government guidance Risk has been reviewed and scored reduced in Q2. The government budget has provided a significant measure to reduce the risk around the introduction of the Extended Producer Responsibility (EPR) scheme by guaranteeing £1.1 billion in funding for local authorities. SHDC11	Implementation of the Environment Act 2021	The legislation will have an impact on the way that waste services are delivered, and will require operational changes. Changing service delivery requires financial support, and although some New Burdens has been made available information has not been provided to date on the ongoing New Burdens revenue funding to meet the additional cost of service delivery.	AD-N	The Environment Act 2021 allows the UK to enshrine better environmental protection into law. It provides the Government with powers to set new binding targets, including for air quality, water, biodiversity, and waste reduction. This will change and impact the way environmental services are currently delivered	Failure to comply with legislation Negative effect on climate both locally and globally	A SELCP Waste Improvement Programme Board (WIPB) is established and comprises lead members from Neighbourhoods and PSPS services. The WIPB meets monthly for progress updates. A Programme Manager has been recruited to support the WIPB. Additionally the authorities comprising the Lincolnshire Waste Partnership work together to identify the impact of the Environment Act across the county, and make preparations for changes to service delivery.	4	4	High (16)	Treat	WIPB reports to SLT and Cabinet. SHDC25	Health and Safety	Risk of failure to comply with Health and Safety requirements	AD-R	The Council has a clear responsibility to both staff and recipients of services under Health and Safety legislation and needs to effectively manage its responsibilities.	There can be consequences to the organisation's finances and reputation relating to non-compliance of health and safety requirements. There is also the risk of harm to individuals.	The establishment of the S&ELCP has increased the resilience and capability of the 3 partner councils. Resources can be more easily shared across the sub-region and procedures and policies are being harmonised, with assistance from PSPS, to provide a more efficient and effective approach towards H&S compliance. The partner Councils receive specialist Health and Safety advice from Public Sector Partnership Services who support the Partnership Health and Safety Governance Group (chaired by the Assistant Director – Regulatory) and each sovereign council Staff Health and Safety Forum. Both operate under agreed terms of reference and feed into the LT – Governance. LT Governance receive minutes and recommendations for approval from the Governance Group and the staff Forums.
