Vehicle Purchase Assistance Policy

Introduction

The Council recognises that its people are its greatest asset. To support the delivery of high-quality services and ensure operational continuity, this Vehicle Purchase Assistance Policy sets out the conditions under which employees may apply for financial support to purchase a suitable vehicle for work and commuting. It will promote responsible lending that minimises financial risk to both the Council and employees. The policy aims to provide fair access to loans for eligible employees, supporting operational needs while maintaining financial prudence.

Aim

The purpose of this policy is to ensure that vehicle loans are managed fairly, consistently, and in accordance with statutory and best practice standards. The policy aims to financially support employees in acquiring a suitable vehicle for work-related travel and commuting, while safeguarding the Council's financial interests and adhering to any prevalent regulations, including HMRC.

Scope

This policy applies to all employees of the Council, including those employed on fixed-term contracts, who require a vehicle for work duties and commuting. The policy does not apply to agency workers, self-employed contractors, or consultants. Cycles are not within the scope of this policy, but the council offer a separate provision under its salary sacrifice 'Cycle to Work' scheme.

Where it is possible, the Salary Sacrifice Car scheme may first be explored as a more viable financial option for vehicle purchase, prior to an application for a loan being made.

Eligibility

- Employees must have successfully completed their probation period.
- Fixed Term Contract employees will need to be within employment for the duration of the loan period, therefore the loan term should not exceed your contract end date.
- The vehicle must be the employee's primary mode of transport for work duties and/or commuting.
- Loans will not be granted for performance vehicles, performance motorcycles, or secondary vehicles.
- Vehicles must be purchased from a Motor Vehicle Retailer or Dealership registered under Companies House who accept BACs payment. Private sellers will not be permitted.
- Employees seeking alternative transport options may use the Cycle to Work Scheme.

Loan Amount and Financial Limits

The Council will review the average market price annually on or around October, or if there is market conditions that indicate a need to review sooner e.g. shortage of new vehicles forcing an increase in demand for second hand cars shifting market price). Information on the updated Market evaluation will be published on employee FAQ.
- For new cars: 80% of the purchase price to account for immediate depreciation.

**as at October 2025*

Salary-Based Cap: Monthly Loan deductions must not exceed 20% of the employee's gross monthly salary.

Only one vehicle loan may be held at any time. Council will take into consider other salary commitments that the employee has, when looking at this application to support with responsible lending.

Any loan confirmed over the value of £10,000.00 may be taxable, which will be submitted by Payroll via a P11D.

Interest Rate

The interest rate will be set at a minimum of the HMRC official rate, as at the date of the loan issue. Should the initial interest rate fall below future HMRC annual rates, this would then become taxable via a P11D.

Loan Term

- Maximum loan term: **4 years**. Except for vehicles less than 3 years old at purchase: loan term can then be **up to 5 years**.
- Vehicle age is determined by Date of registration of the vehicle.
