Subject: Write Offs

1.0 BACKGROUND

1.1 This report reviews irrecoverable debts over £1,050 which require Cabinet approval for write off. A summary of these debts is shown in the table below and they total £23652.57

1.2 **The need to write debt off usually arises due to the debtor being untraceable, insolvent, ceased trading with no assets or deceased with insufficient funds in the estate. Where possible all methods of recovery are pursued before making the decision to write off. This can include internal recovery action, use of debt collection agents, external tracing agents and procedures through the Courts.**
